Live Burn Exercise - Motor Vehicles

The Michigan State Police Training Academy in conjunction with General Motors and Herndon & Associates, is hosting a one-day motor vehicle live burn exercise. This exercise will provide investigators an opportunity to witness multiple live burns of newer model vehicles. In addition, investigators will be familiarized with motor vehicle immobilization systems.

Investigators registered for the four day Vehicle Fire and Theft Investigation School will automatically be registered to attend this live burn exercise.

Register for this course to attend the live burn only.
